SENIOR MOMENTS - 2010!!

Dear Senior Parent,

This will be an exciting year for you and your senior student! We will be updating you throughout the year with specific information about senior activities and deadlines. To make the year run smoothly we are asking for your help in guiding your senior through the maze of activities and deadlines. Please mark these dates on your calendar and remind your senior that graduation is a process and a privilege. More activities and dates will be printed in the PTSA Newsletter so please assist your senior in keeping an up to date calendar. Check the web site (www.kewpie.us) for all other activities and updates (the below dates, times and places are subject to change, except Graduation). Thank you for your help and have a great senior year!

Sincerely,
Paige Reed, Senior Class Sponsor
