

TRAFFIC AND PARKING CONTROLS

Driving and parking on school property are privileges granted by the Board of Education to persons who have reasons to be in the schools or on the school property of the Columbia School District.

The school administration will develop, with the aid of local traffic authorities, a plan for accommodating the flow of traffic on school roadways, and any necessary accompanying traffic procedures. The administrative staff will have the responsibility for the assignment of parking areas to staff, students and visitors to the schools. Convenient parking areas will be designated for persons with disabilities.
