

## Technology Usage Agreement Denial Form

CPS is pleased to offer our students access to a technology rich environment. Technology has become a necessary part of instruction and learning; therefore, all students will be granted access to our network which includes school approved software, the Internet, web tools, and CPS student email for secondary students.

Students will have access to all electronic resources, technology tools, computer networks, including the Internet, unless a permission denial form is signed and returned.

If you **DO NOT** want your student to have student email or be included in the media activities of Columbia Public Schools please check the appropriate boxes and return this form to your student's school.
