

Student Portal

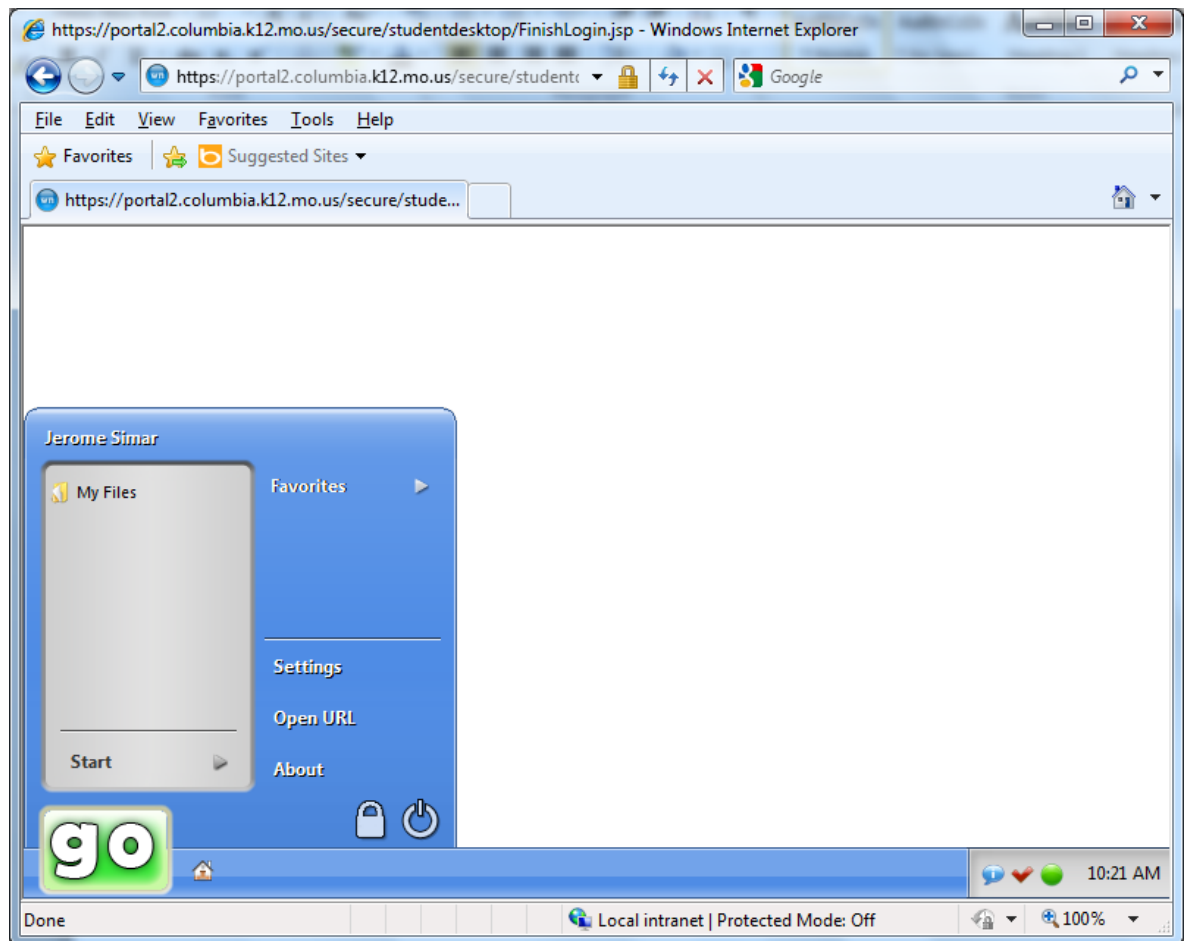

Students can now access files on the school server through the CPS Student Portal.

Click on the Student Portal link on the RBHS webpage or use: <http://portal2.columbia.k12.mo.us>

Log into the Portal with your CPS login and password that you use to log on to the computer at school (13dlm01).

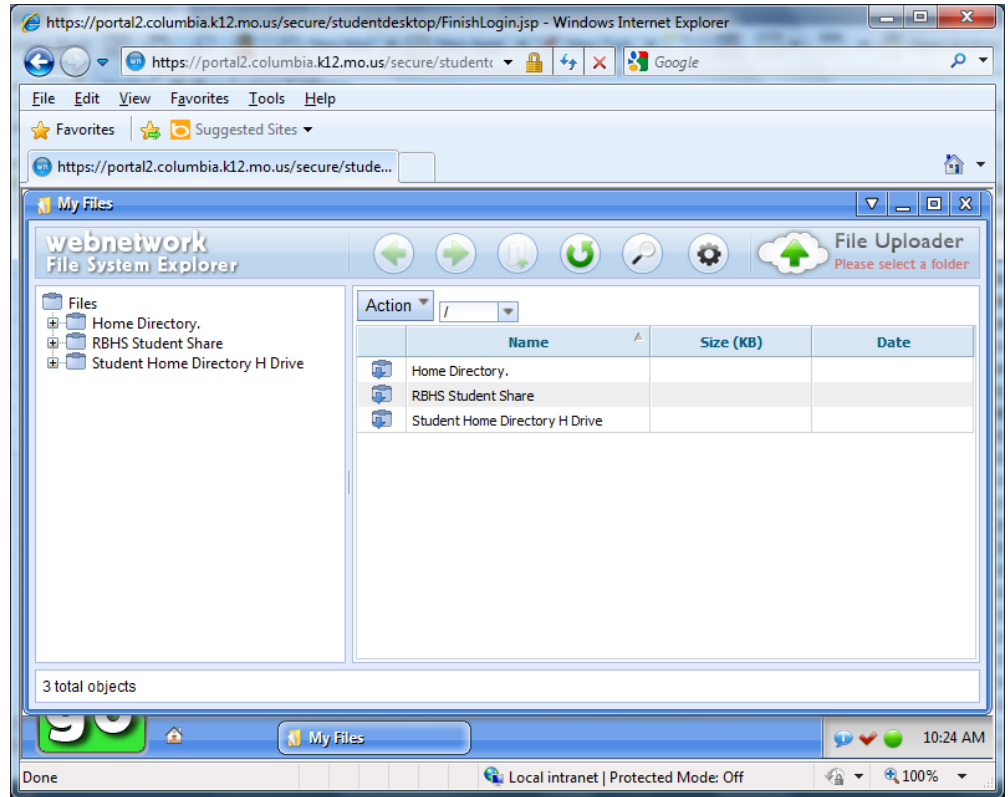

Click GO

Click My Files to see your home folder and student share files.

You can open files at home and save back to the server.

If you have questions or need help see Mr. Murphy or Mrs. Struchtemeyer in the Media Center.

Watch for more information about the portal soon.
