## Parent Consent for Management of Allergic Reaction at School

I, the parent or guardian of the above named student, request this emergency action plan be used to guide allergy care for my child. I agree to:

1. Provide necessary supplies and equipment, including EpiPen® and benadryl if prescribed.
2. Notify the school nurse of any changes in the student's health status.
3. Notify the school nurse and complete new consent for changes in orders from the student's health care provider.
4. Authorize the school nurse to communicate with \_\_\_\_\_, the primary care provider/specialist about allergy as needed.
5. Allow school staff interacting directly with my child to be informed about his/her special needs while at school.
